

We give our public
airwaves away for
nothing in return
for a commitment to
serve the public
trust. This does not
include using one's
own network of
stations for
propaganda. Sinclair
Broadcasting
proposed decision to
require its member
stations to
broadcast a partisan
and factually
questionable program
as documentary fact
should result in the
revocation of its
license. Your
inaction on this
matter will only
increase the public
anger and its
involvement in your
oversight.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard. Thank you.
